

Thank you for scheduling your appointment with Dr. Simon Morr. We are pleased to welcome you to our practice and look forward to assisting you with your care.

We are dedicated to making your visit as comfortable and efficient as possible. If you have any questions prior to your visit or need assistance, feel free to contact our office at **(914) 303-6548** or via email at **info@drsimmorr.com**.

Please remember to bring the necessary documents, outlined below:

❖ **Personal Information**

- **Photo ID** (driver's license, passport, or another form of identification)
- **Insurance Cards** (both primary and secondary insurance, if applicable)

❖ **Medical Records**

- **Referral Letter** from your primary care physician or referring specialist (if applicable)
- **Previous Neurosurgical or Medical Reports** related to your condition (if available)
- **Hospital Discharge Summaries** from any recent hospital stays related to your condition

❖ **Imaging and Test Results**

- **Copies of Recent Imaging Studies** (MRI, CT scans, X-rays, etc.), including both:
  - **Digital copies on CD/DVD or USB drive** (if available)
- **Lab Results or Diagnostic Test Reports** relevant to your condition
- **Blood Test Results** (if ordered by a referring physician)

❖ **Medication List**

- **Current List of Medications** (including dosage and frequency)
- Include **over-the-counter medications, supplements, and herbal remedies**

❖ **Symptom and Medical History Documentation**

- **Symptom Log** (record any symptoms, how long you've had them, and their severity)
- **List of Surgeries or Procedures** (including dates and results, especially if related to the brain or spine)

❖ **Allergy Information**

- **List of Known Allergies** (especially to medications, contrast dyes, or latex)

❖ **Insurance and Payment Information**

- **Co-payment or Deductible Payment Method** (if required)
- **List of Authorized Persons** who can discuss your medical details (if needed)

❖ **Questions or Concerns for the Neurosurgeon**

- A **written list of questions** you want to ask the neurosurgeon (e.g., regarding your diagnosis, treatment options, risks, recovery time)

❖ **Notebook and Pen**

- To take notes during your appointment regarding the diagnosis, treatment options, and next steps.

❖ **Support Person (Optional)**

- **Bring a family member or friend** for support, to help remember details, or assist with mobility, if needed.

We look forward to seeing you soon!

Warm regards,

Dr. Simon Morr

Neurosurgeon
